Junior Front-end developer

Ключова інформація

Hello! My name is Nazar and I am from Lviv. I'm 24 years old. I like computers very much. I also make videos and take photos. I studied in the European University (Lviv subsidiary) at the faculty of "Computer technologies". After university I finished private courses for a front-end developer. I am a Junior front-end developer. At the moment I am looking for a job. I can contribute to your projects as I have the following skills:

- Good knowledge of HTML/CSS;
- Good knowledge of JS/Jquery;
- Experience with framework of Bootstrap;
- Working with websites on the CMS WordPress;
- Practical use of JS Tolls "Gulp";
- Knowledge of SaSS and LeSS preprocessors;
- Experienced knowledge of Photoshop;

I am a quick learner and I can adapt to the environment. I can work in the team. I am responsible, diligent, purpose-oriented, organized, hard-working, observant, with a great desire to develop myself. Level of English: Intermediate.

You can see my CV here https://nazarstolyar.github.io/CV/.
